Before you know it, the summer heat will be here, and that means things will be picking up at camp. I would like to encourage folks to block off time on their busy calendars to make it to at least one of our annual work weekends.... Memorial Day in late May and/or Labor Day in early September - Mark your calendars now!

Here Comes Summer!

Summer Camp 2019 registration is now open for volunteers and staff and more importantly for campers! Camp theme this year is "Be still and know that I am God" - a great message in a world that is often too busy with social media, smart phones, video games, sports, and did I say social media :)

You can register for camp at:

[HTTPS://CAMPSCUI.ACTIVE.COM/ORGS/COPPERBASINBIBLECAMP](https://campscui.active.com/orgs/copperbasinbiblecamp)

Copper Basin is partnering with the Department of Forestry and Fire Management to "Firewise" the camp. Over the next year, our trees will be thinned out to help reduce the risk of forest fires, and to eliminate unhealthy trees. "Unhealthy trees" can include trees that are so close to each other that they end up overtaking one another. You can learn more about the Forest Stewardship Program here:

<https://www.fs.fed.us/managing-land/private-land/forest-stewardship->

When this work is completed you will see fewer trees, but a healthier, safer forest environment.

If you are interested in the efforts at Copper Basin Bible Camp, have a question, would like to make an End of Year 2018 contribution, or for any business-related issue, please email the Board of Directors at the following address:
